

Australasian Institute of Digital Health

Level 1, Suite 1.02A, 85 Buckhurst Street
South Melbourne VIC 3205
Australia

Phone: 03 9326 3311

The Australasian Institute of Digital Health is the peak body for digital health representing a united and influential single voice for health informatics and digital health leaders and practitioners. The vision of the Institute is “healthier lives, digitally enabled”. When you join as a Member or Fellow you are joining the movement to make individuals healthier and make a real difference to healthcare in the digital world. Fellows and Members of the Institute represent health informaticians, clinicians, researchers, healthcare managers and executives, data analysts, designers, project managers, business analysts, technologists and innovators. Special digital health interest areas include cybersecurity, clinical informatics, nursing informatics, health UX, digital hospitals and precision medicine.
