Rauland Australia and New Zealand Rauland Australia has proudly served the healthcare sector for more than 29 years. During that time, we have played a role in the digital transformation of the healthcare sector, supporting the delivery of a fully digitised healthcare platform. Our Concentric Care platform delivers reliable and smart communications to more than 360 healthcare organisations throughout Australia and New Zealand to help them achieve high-quality clinical outcomes and an excellent patient and resident experience. Concentric Care is designed to provide acute care hospitals, aged care and mental health facilities with the value of a complete, end-to-end communication and technology experience. Providing clinicians and carers with all the tools they need to communicate, connect and care, the platform comprises six integrated solutions, purpose-built for the sectors they support. Responder – Nurse Call and Clinical WorkflowReach – Critical Mobile MessagingConcierge – Entertainment and ConnectivityPinpoint – Real Time Location SystemsInsight – Reporting and AnalyticsLighthouse – Health InformaticsOur enterprise, platform approach and fully scalable architecture brings organisations, departments, buildings and units together, in a single technology solution, adaptive to the size and specialisation of the specific care environment. As a business we work to continuously improve the way we do things. From design, to production, to user experience, customer service and implementation of our Concentric Care platform – we are focused on finding ways to innovate and help our customers to fully leverage their investment in care. Rauland Australia has a team of 152 staff providing localised product development, clinical services, customer service and support from our offices in Sydney, Melbourne, Brisbane, Perth, Adelaide and

Auckland. To find out more about Rauland Australia and New Zealand and how our Concentric Care platform is helping clinicians and carers to communicate, connect and care visit our website at <https://rauland.com.au/> or call us on 1300 142 142.
