

DXC Technology

26 Talavera Road
Macquarie Park NSW 2113
Australia

Phone: 02 9034 3000

DXC Technology is the world's leading independent, end-to-end IT services company, helping clients harness the power of innovation to thrive on change. Created by the merger of CSC and the Enterprise Services business of Hewlett Packard Enterprise, DXC Technology serves nearly 6,000 private and public sector clients across 70 countries. Healthcare organizations across the world are looking to improve the quality of care, while managing its cost. With extensive domain knowledge, best-in-class technology, consulting services and years of experience working with some of the largest and most complex healthcare organisations, DXC Technology is well placed to help your organisation transform for the future.
