Australia

Phone: 1300237638

Cutting Edge produces affordable, intuitive cloud -based billing solutions. It is ideal for practitioners who prefer to maintain control of their own billing from a number of sites. Cutting Edge Software is approved by Medicare Australia to manage your electronic: Verification of Medicare and Fund membership Bulk Bill and Medicare claims DVA paperless claims Inpatient claims to Health Funds (ECLIPSE) We have solutions tailor-made for:

Anaesthetists Surgeons Surgical Assistants Physicians GPs Allied Health The software comes with up-to-date schedules for MBS/Rebate, No Gap and Known Gap cover (all registered health funds), Workers' Compensation, Transport Accident authorities and DVA. Zero Installation

Everything you need is deployed from our secure server. All you need is a modern browser, such as Firefox, Safari, Internet Explorer, Chrome or Opera. Always Up To

Date

Each time you log in you get the latest edition of the software and schedules.

There's nothing for you to update. In addition, old schedules remain available for up to three years - the software uses the correct one for each fund based on date of

service. Live Multi-User Access

Invoice data can be added in advance from the convenience of your home or rooms.

Providers can then edit details on the go, in theatre or at a home visit. Doctors and staff see the same data in real time - no need to synchronise back at the

rooms. Latest Medicare Features

We are certified to use the Medicare Client Adaptor release 6. This allows for

submission of claims via ECLIPSE to funds, as well as Medicare, BulkBill and streamlined paperless DVA. Claims can be submitted up to 2 years from the date of service. Submit your accounts electronically with ease! Cutting Edge comes in two editions. The Standard edition, designed for Allied Health practitioners is suitable for billing electronically to Medicare and DVA. The ECLIPSE edition is suitable for paperless claims to private health funds in addition to the features of the Standard Edition. Each version is customised for your individual or group practice ie: Anaesthetics, Intensive Care Specialists, Surgeons, Surgical Assistants, Specialist Physicians and General Practitioners as well as a wide range of Allied Health professionals including Exercise Physiologists, Dieticians, Physiotherapists, Dentists and Optometrists. BPay and Credit Card Payments from patients straight to your account automatically reconciled in Cutting Edge with DoctorBill, our automated, fully integrated payment gateway!
